

NuSpeed Spraytec NSS450

The majority of floor preparation and maintenance programmes require a machine with the optimum balance between weight and speed to achieve the desired results.

The Spraytec NSS450 machine has been designed to provide a professional answer to applications where spray buffing is the obvious and cost effective solution to maintaining floors to a higher visual standard which is often the need in high profile environments.

The 450 has all the power of the NSX550 but runs at 450rpm with an operating weight increased to 35kg. When equipped with our spraykit this machine will provide a fully integrated system that is not only user friendly but equally floor friendly, both getting exactly what is required – ease of handling on the one hand and an excellent floor finish on the other.

Spraytec system will provide, long and reliable service and results you will be proud of.

All NSS-450s are supplied as standard with our Spider Pad Drive. For brush applications select from our standard range.

Motor	Deck	Brush	Power	Speed	Vacuum	Range	Weight	Size
1500W	450mm	450mm	230V AC 50Hz	450rpm	Optional NDT130	32m	35Kgs	1250 x 580 x 460mm
